

WORLD AIDS DAY OF AHF'S PAST:

World AIDS Day was founded on December 1st, 1988 by what is now UNAIDS. Focusing on different themes every year, World AIDS Day is meant to raise awareness of the HIV/AIDS pandemic and to celebrate and mourn those who have died from this awful disease. It is celebrated internationally and coincides with education on AIDS treatment and prevention.

Launch of "Testing Millions" mass testing campaign by Uganda Cares on **World AIDS Day 2008**

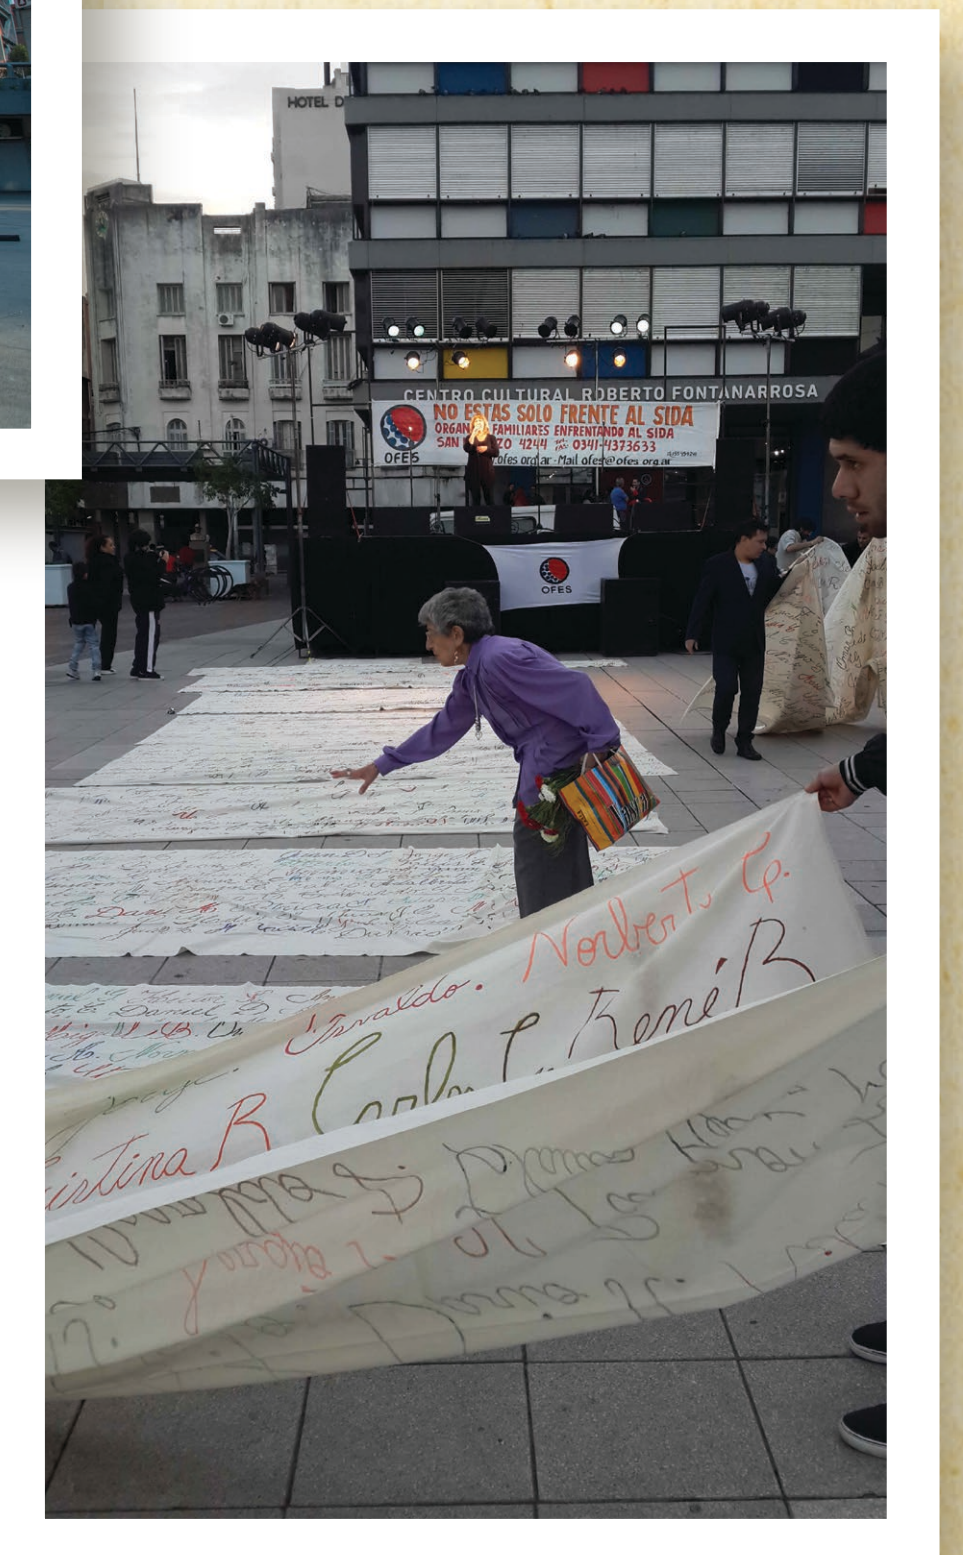

Testing Millions by AHF Kenya, **World AIDS Day Event 2009**

World AIDS Day 2010
Uganda with Military participating in parade

Mexico celebrating World AIDS Day with 20x20 motivation

Argentina memorial for **World AIDS Day 2014**, the theme being 20x20: 20 million patients in care by 2020

Michael Weinstein at World AIDS Day AHF celebration of **500,000 lives in care in 2015**
